

GUESTPAD

INSTANT SUITE

GuestPad is a touchscreen panel that simplifies the visitor welcoming process

Guestpad, synchronised with Instant Guest, **renews the experience of reception services** inside a building. This 10" touchscreen panel located in the lobby smoothes the reception of guests, helping them to register easily. The host receives a notification of the guest arrival. **GuestPad simplifies the work of receptionists** who can check all the visitors of the day and welcome them without wasting time. **GuestPad is also a digital signage screen that can be used to display any multimedia content.**
