

GROOMPAD

INSTANT SUITE

GroomPad is a versatile tool: find your way around, book spaces, inform and communicate

GroomPad is a user-friendly touch screen connected with Instant Suite. It allows to **simplify orientation, room desk and spaces searching** and **to display corporate communications**.

Placed in a lobby, on a bearing or next to the elevator, it offers unique solution **finding your way around, booking a room, being informed** and **reporting an issue**.

GroomPad can be displayed in landscape or portrait mode, no matter what the size of your touch screen.

Find the meeting room you are searching

Book a free room or a free desk

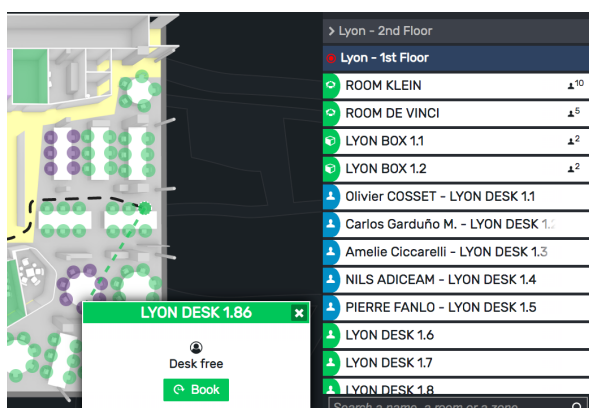

Notify incidents

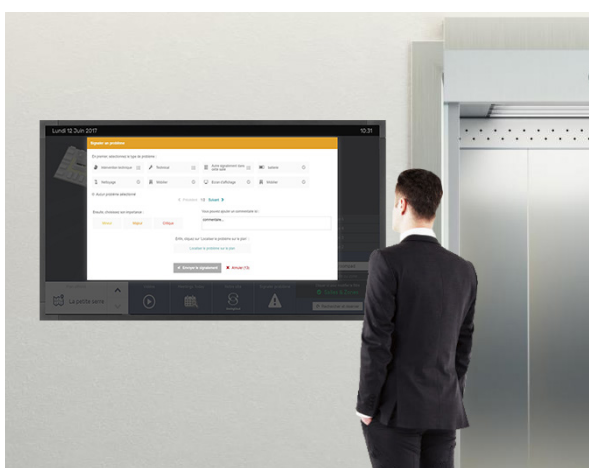

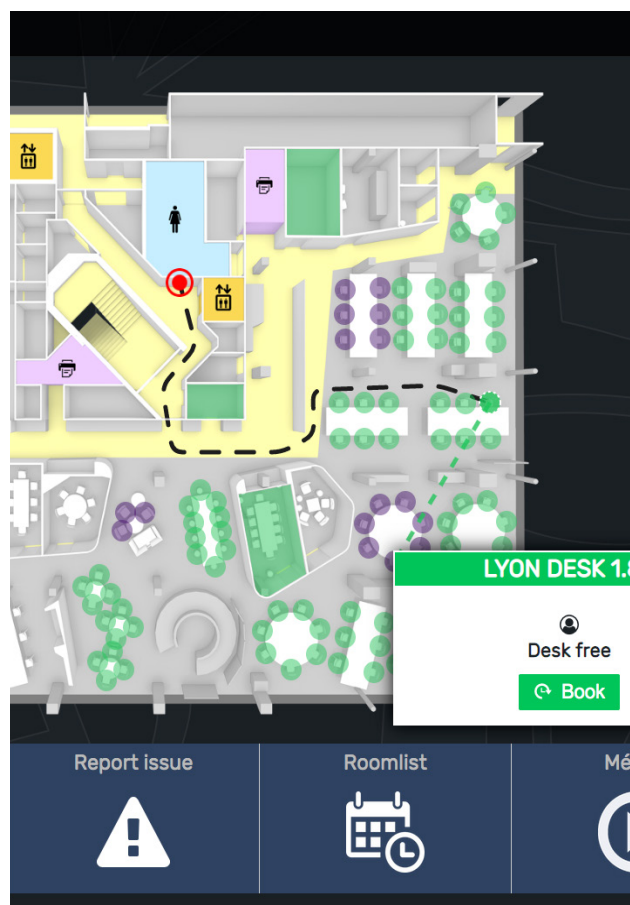

Inform your employees

GroomPad allows your employees and visitors to:

- **Visualize** the reservation already made through Instant Booking and locate the booked rooms and work spaces.

- **Identify** and **book** easily via GroomPad:
 - A free meeting room on the fly.
 - An available privacy box (thanks to Instant Box presence sensor).
 - A free desk for a few hours or the whole day.

- **Find the way** in the building thanks to the interactive 3D map. It becomes really easy to find someone, get directions, services or a meeting room.
- **Get informed** via your multimedia playlist. You can consult twitter feeds, Instant TV channels and have a direct access to your blogs and corporate website.
- **Notify incidents** directly on the floor map.
